Feel good inside and out! On Spa Day, successfully blend your inner philanthropist with your relaxed and rejuvenated self.

SPA DAY is a unique, pamper-yourself fundraising day when your indulgences in relaxation and beauty will also support the prevention of hunger and homelessness in people with HIV/AIDS.

Simply get your facial, massage or other beauty treatments on this particular day - or complete your holiday shopping with gift certificates for loved ones - you will be spreading your love.

Spa Esmeralda is the only spa in the Palms Springs area participating in SPA DAY. "Along with quality spas across the country, Spa Esmeralda will donate 20% of its revenues on November 16th, to this worthy cause" states Spa Director, Kim Cadra. "When spas unite, we can make a difference in the lives of people suffering from HIV/AIDS." Proceeds will stay in our valley, benefiting AIDS Assistance Program, Palm Springs www.aidsassistance.org

Now in its fourth successful year, Spa Day has expanded to five regions across the U.S. - Northern California, Southern California, Dallas, Miami/Fort Lauderdale, and New York.

Khandi Alexander, noted choreographer, dancer, and actor, "CSI: Miami" is Honorary Chairperson of Spa Day and appears in PSA's promoting this special fundraising event'.
